

AMANDA Permitting, Compliance and Licensing resources are available at **LaunchIT**,

with experience in **implementations, upgrades,
migrations** and **maintenance and support**.

LaunchIT has been a proud partner of CSDC Systems since 2015. We believe in the robust design and power of AMANDA .

With over **50** AMANDA trained resources, our technology professionals are dedicated to understanding the AMANDA platform and its continuous evolution.

Resources are available **onsite, offsite** and if needed, **offshore**.

Completed Upgrades

Version 4.x → Version 6.1.8
Version 5.4 → Version 6.1.8
Version 6.x → Version 7.2*

We care about your continual success. After an upgrade, we service your **enhancements, fixes** and **bugs**.

"LaunchIT has demonstrated their willingness to understand and work within our diverse government licensing environment, which led to their ability to quickly identify our needs and bring appropriately experienced technical and business analysis staff to support each stage of the project. I have no doubt that LaunchIT is always working in the best interest of our project and any project that they undertake."

Angela Leek, Bureau Chief
Bureau of Radiological Health
Iowa Dept. of Public Health

Create a more productive,
cost-efficient
environment
for your
organization.

**We can build an AMANDA
